Let's have Hockeyville Barry's Bay on June 11!

The end is near and we are within days of our goal; Barry's Bay being crowned "Hockeyville."

The support throughout the area for Barry's Bay's bid in the CBC Kraft Hockeyville competition has been spreading like wildfire and I am pleased and excited to see everyone pulling together for a common goal.

But now we are entering the critical part of the competition, the voting stage.

On June 6th, following the CBC Kraft Hockeyville segment, until 11:59pm on June 7 voters will have the chance to vote for their selection for Hockeyville and Barry's Bay needs your support to advance in the competition. The number to call is 1-888-459-2006.

I encourage everyone to take the time to call in and vote for the Bay's application and be part of this exciting event. We need you to vote!!

Together we can make it happen; Barry's Bay is Hockeyville!
